Dear Maria,

I want to personally recognize the 127th Philippine Independence Day as the Filipino-American Association of Greater Birmingham gathers to mark this milestone.

Your community has made invaluable contributions to our state and nation. I'm proud to join your members in honoring the enduring heritage and achievements of Filipino-Americans.

I wish you all the best on a successful gala as you reflect on your history and legacy, as well as the many ways Filipino-Americans continue to shape our nation's future.

Sincerely,

A handwritten signature in blue ink that reads "Katie". The signature is stylized with a large, flowing "K" and a cursive "atie".
